

WELCOME TO THE 2019 WAIHEKE WALKING FESTIVAL

The Waiheke Walking Trust is a charitable trust that exists to showcase Waiheke Island as a walking destination, and to encourage and inspire people to experience walking recreation on Waiheke and neighbouring islands.

We are proud to deliver the annual Waiheke Walking Festival and are committed to ensuring its ongoing success and popularity. In addition to the Festival, we have plans to create a digital resource of Waiheke walking information which will make it easy to plan new walking adventures on Waiheke and enjoy the natural beauty of the island.

This year's Festival programme is packed with 10 days of new walks and Festival favourites to celebrate 10 years.

WAIHEKE LOCAL BOARD

A massive thank you to the Waiheke Local Board who are responsible for the creation and ongoing improvement of Waiheke's incredible trail network, including the wonderful 100km Te Ara Hura loop. Thank you also for the significant financial support the Waiheke Local Board provides each year to ensure the Waiheke Walking Festival remains the hugely successful free event that it is.

Please ensure your footwear, poles and paws are thoroughly cleaned before arriving on Waiheke. There are cleaning stations at Pier 2 at the downtown wharf, and at Half Moon Bay and Wynyard Wharf. It is a requirement that every walker scrubs and disinfectant

sprays their shoes at the start and finish of every walk during the Festival. Our volunteers will assist you in this.

TIMING: Walk durations can vary depending on the group size, pace and capabilities of the group. We err on the cautious side regarding finish times.

WALK GRADING: Each walk has been given an approximate time and grading. The grading reflects the type of terrain and walking surface you can expect. All of Waiheke is hilly, in some places very hilly! For more information on grading visit our website.
